Dear Parents and Carers,

As many of you will be aware, we have been looking at eco-issues this year in school. We now have eco-monitors who encourage everyone to:

- recycle paper
- compost our fruit waste
- switch off lights and taps
- collect mobile phones and printer cartridges for re-use and recycling
- bring in unwanted clothes for our textile collections

We are pleased the children are so keen to support this work.

One significant way in which we use a lot of paper is in all the letters that get sent home. With over 300 children in school, every newsletter, every flyer, information about PTA activities and school trips use up a lot of paper! As part of our eco-focus we use email to send out as many letters as possible and thus reduce our use of paper.

If you would be happy to receive newsletters and other letters from school via email, could you please complete and return the form at the bottom of this letter. If you do not have access to email, or would prefer to receive a paper copy of all communications, then printed copies will continue to be sent out via your child's book bag.

Yours sincerely

**Jane Spencer**  
Headteacher
