(Half Term 27th—31st May)

Autumn Term 2019

Wed 4th Sept — Fri 20th Dec

Sporty Stars

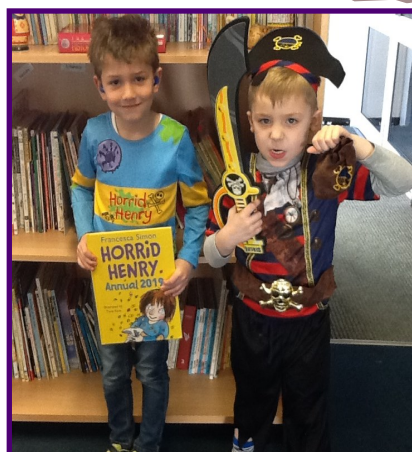

Children from St George's Lower and Parkfields Middle schools' HIP were among a lucky group invited to the John Bunyan Centre in Bedford to take part in an indoor sports activities day.

We joined with other schools to have a go at Sitting Volleyball, Bowling, Curling, Golf and Table Tennis—all played with a slightly different twist. We were very proud of our students' exemplary behaviour and sportsmanship.

Everyone had a go at all activities and supported each other, and although there was a natural competitiveness, the informality of the day fostered lots of opportunities to practice social skills.

WORLD BOOK DAY

Always a favourite day for the children, WBD found everyone choosing their own character or book to celebrate. In addition, each year group chose a book to share in class and the days' fun activities were based around this.

Later we had a special WBD assembly where the whole school got to see each others costumes and share the activities of the day. All in all a lovely day promoting and reinforcing the value and enjoyment that reading brings.
