Dear Parents/Guardians

Re Parking Problems

Over the past couple of months we have received numerous complaints regarding inconsiderate parking. The complaints are to do with parents parking their cars whilst dropping off and picking up their children from school.

Some of the issues are as follows:

1. Parking on the Bend : Cheney Close

This is a difficult bend to see around without any obstruction. It is also used as the main crossing point; which is made dangerous when cars park there. Whilst a car is parked on the bend it is difficult for any approaching motorists to see pedestrians on the kerb and vice versa.

Please refrain from parking here in the future, as it could be your child whose life is endangered

2. Parking on the Kerb

We appreciate that parking on the kerb gives more room on the road to passing motorists and reducing the risk of the damage to your vehicle. However if you don't leave enough room for buggy's and pushchairs to get past; you then force them to walk in the road.

This is not acceptable and puts pedestrians in unnecessary danger.

3. Blocking Drive Ways

It is a very inconsiderate and causes great annoyance to homeowners.

Please refrain from blocking driveways

Any person found to be parking as above would be advised in the first instance.

Persistent offending will result in penalty notices given.
