Nature of support 2016-2017

The funding received from Sports Funding Grant was allocated in the following ways:

- To purchase membership of the School Sports College Partnership. This provided competitive sports inter schools opportunities and sports tuition for all children and professional development for all our teachers.
- To promote healthy active lifestyles within the schools when teaching PE
- To provide pupils with opportunities for active playtimes and targeted support at playtimes to address behaviour issues
- To offer leadership opportunities for Sports leaders through active playtimes work
- Paying for professional development opportunities for teachers in PE and sport (higher quality opportunities for Gifted and Talented, specialist PE teachers and qualified sports coaches to work with teachers) and further develop the gymnastics provision in the school
- Signpost quality opportunities for Gifted and Talented children
- More pupils given the opportunity to compete in a wide range of Level 2 School games events
- To purchase additional games resources to enhance the PE curriculum.

Measuring the impact of SFG spending

The impact of these initiatives was:

- Tracked by the PE Co-ordinator and progress will be regularly reviewed by the teachers. Developments and Awards will be reported to the Governing Body and to Parents via the website and newsletters.
- The SLT will review impact on the quality of the PE curriculum provision, engagement in clubs, attendance, behaviour and pupil outcomes.
- The Finance Committee will review value for money and the development of 'in house' expertise.
- The School Council and Sports Leaders will review enjoyment/engagement in /out of school.
