# Route map

The screenshot shows a mobile navigation app interface. At the top, the status bar displays icons for camera, location, Wi-Fi, cellular signal, 40% battery, and the time 8:36 pm. Below the status bar is a blue header with a back arrow, a location pin icon, and two input fields: "Your location" and "PO11 0PB". To the right of the "PO11 0PB" field is a vertical ellipsis and a double-headed arrow icon. Below the header is a white bar with four transport mode options: a car icon with "2 hr 8", a bus icon with "4 hr 8", a pedestrian icon with "1 day", and a bicycle icon with "9 hr". The main map area shows a route from a red location pin near Southampton to a blue car icon near Luton. The route is highlighted in blue and passes through Winchester, Basingstoke, Guildford, and Luton. Several callout boxes show travel times: "2 hr 57 min" near Luton, "2 hr 8 min" near Luton, "+5 min" near Guildford, and "1 hr 55 min" near Southampton. The map also shows major roads (M4, M3, M25, M20, A1(M)) and green areas labeled "Chiltern Hills AONB" and "North Wessex Downs AONB". At the bottom of the map, a white bar displays "2 hr 8 min (126 mi)". Below this bar is a white footer with a menu icon and the text "STEPS & MORE" on the left, and a blue button with a white arrow and the text "START" on the right.
