

May Half Term Enrichment Provision
Venue: Toddington St George C of E School

Dear Parent/Carer

In partnership with local schools, the Central Bedfordshire Council is providing alternative provision for those families who work in Critical Care to provide support for families that work in Critical Care and cannot find alternative childcare in these unprecedented times.

This facility is only eligible for Key Worker and Vulnerable Children from Reception upwards.
Due to a limited capacity for health and safety reasons we must limit the numbers of children on site.

The health and safety of all children and staff is of paramount importance. We will be ensuring the correct social distancing guidelines are met and all equipment will be sanitized between use. The school site will also be deep cleaned before each day.

As well as providing a support facility for parents we will be putting together a rich programme of activities around music and sport for the children to enjoy. Many of these activities will be a new experience for the children and there will be a wide range of activities to engage with.

Parents and carers will need be responsible for transporting their child each day and providing a packed lunch and snacks.

Each day will start at 9:00am and finish at 3:30pm

If your family is in need of this provision over the half term break, please complete the consent form below and send back with your child to their current educational setting for collation.

The consent form must be completed for all children intending on attending, children will not be able to attend without this form.

Please also see attached the Photo Consent form for completion.

For more information please email Charlotte.Payne@Centralbedfordshire.gov.uk

Yours sincerely,
