Statement of Intent

Toddington St George C of E School recognises that positive behaviour and good attendance are essential in order for pupils to get the most of their school experience, including their attainment, wellbeing and wider life chances.

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly, on time. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

The Department for Education (DfE) has produced statutory guidance for maintained schools, academies, independent schools, and local authorities. It is called "[Working together to improve school attendance](#)" and it includes a National Framework in relation to absence and the use of legal sanctions. This School Attendance Policy reflects the requirements and principles of that guidance.

This policy is written with the above guidance in mind and underpins our school ethos to:

- promote children's welfare and safeguarding;
- ensure every pupil has access to the full-time education to which they are entitled;
- ensure that pupils succeed whilst at school;
- ensure that pupils have access to the widest possible range of opportunities at school, and when they leave school.

It has been developed in consultation with school governors, teachers, parents and pupils. It seeks to ensure that all parties involved in the practicalities of school attendance are aware and informed of attendance matters in school and to outline the school's commitment to attendance matters. It details the responsibilities of individuals and groups involved and the procedures in place to promote and monitor pupil attendance.

In addition, all schools follow the DfE's statutory safeguarding guidance, Keeping Children Safe in Education, which emphasises the importance of understanding the potential vulnerabilities of children who are missing or absent from education.

<https://www.gov.uk/government/publications/keeping-children-safe-in-education--2>

Our policy aims to raise and maintain levels of attendance by:

- Promoting a positive and welcoming atmosphere in which pupils feel safe, secure and valued;
- Raising and maintaining a whole school awareness of the importance of good attendance and punctuality;
- Ensuring that attendance is monitored effectively and reasons for absences are recorded promptly and consistently.

For our children to gain the greatest benefit from their education it is vital that they attend regularly and be at school, on time, every day the school is open unless the reason for the absence is unavoidable. **It is a rule of this school that pupils must attend every day, unless there are exceptional circumstances, and it is the headteacher, not the parent, who can authorise the absence.**

The school's attendance officer is Miss Stephanie Taylor, and she can be contacted via admin@toddstg.co.uk. Staff, parents and pupils will be expected to contact the attendance officer for queries or concerns about attendance.

The senior leader responsible for the strategic approach to attendance in our school is:

Name: **Mr Andrew Darlington (Headteacher)**

Email: admin@toddstg.co.uk

Phone Number: 01525 872360

The name of our linked Governor with responsibility for monitoring attendance is **Lucy James**.

- Informing the LA of any pupil being deleted from the admission and attendance registers.

Pupils are responsible for:

- Attending their lessons and any agreed activities when at school.

Parents are responsible for:

- Providing accurate and up-to-date contact details.
- Providing the school with more than one emergency contact number.
- Updating the school if their details change.
- The attendance of their children at school.
- Promoting good attendance with their children.

Promoting Regular Attendance

At Toddington St George School, we believe in developing good patterns of attendance and set high expectations for the attendance and punctuality for all our pupils from the outset. It is a central part of our school's vision, values, ethos and day to day life. We recognise the strong connections between attendance, attainment, safeguarding and wellbeing.

Helping to create a pattern of regular attendance is the responsibility of parents, pupils and all members of school staff.

To help us all to focus on this, we will:

- Submit a daily attendance return to the Department of Education and Local Authority, in line with the legal expectations placed on all schools;
- Build strong relationships and work jointly with families;
- Give parents/carers details on attendance in our newsletters;
- Promote the benefits of high attendance;
- Accurately complete admission and, with the exception of schools where all pupils are boarders, attendance registers and have effective day to day processes in place to follow-up absence as required by law;
- Celebrate excellent attendance by displaying and reporting individual and class achievements;
- Reward good or improving attendance;
- Report to parents/carers regularly on their child's attendance and the impact on their progress;
- Contact parents/carers should their child's attendance fall below the school's target for attendance.

Understanding Types of Absence

Any absence affects the routine of a child's schooling and regular absence will seriously affect their learning journey and ability to progress. Any pupil's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class. Ensuring a child's regular attendance at school is a parental responsibility and allowing absence from school, without a good reason, creates an offence in law and may result in prosecution.

Every half-day absence from school has to be classified by the school (not by the parent), as either **authorised** or **unauthorised**. This is why information about the cause of any absence is always required. Each half-day is known as a 'session'.

Authorised absences are morning or afternoon sessions away from school for a genuine reason such as illness (although you may be asked to provide medical evidence for your child

before this can be authorised), medical or dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no 'leave' has been granted. This type of absence can lead to the school referring to the Local Authority for penalty notices and/or legal proceedings.

Unauthorised absence includes, (however this list is not exhaustive):

- parents/carers keeping children off school unnecessarily e.g. because they had a late night or for non-infectious illness or injury that would not affect their ability to learn;
- absences which have never been properly explained;
- children who arrive at school after the close of registration are marked using a 'U'. This indicates that they are in school for safeguarding purposes, however is counted as an absence for the session;
- shopping trips;
- looking after other children or children accompanying siblings or parents to medical appointments;
- their own or family birthdays;
- holidays taken during term time, not deemed 'for exceptional purposes' by the headteacher, including any arranged by other family members or friends;
- day trips;
- other leave of absence in term time which has not been agreed.

Persistent Absenteeism (PA) and Severe Absenteeism (SA)

A pupil is defined by the Government as a '**persistent absentee**' when they miss 10% or more schooling across the school year for any reason; this can be authorised or unauthorised absence. Absence at this level will cause considerable damage to any pupil's education and we need the full support and co-operation of parents to resolve this. All pupils who have attendance levels of 90% or below are considered to be a persistent absentee.

A pupil who has missed 50% or more schooling is defined by the Government as '**severely absent**'. Pupils within this cohort may find it more difficult to be in school or face bigger barriers to their regular attendance and, as such, are likely to need more intensive support.

Absence Procedures

We monitor and review all pupils' absence, and the reasons that are given, thoroughly.

If a child is absent from school the parent must follow these procedures:

- Parents will be required to contact the school office via telephone or email **before 9:15am on the first day of their child's absence** – they will be expected to provide an explanation for the absence and an estimation of how long the absence will last, *e.g. one school day*.
- The school has an answer phone available to leave a message if nobody is available to take your call, or you may call into school personally and speak to the office staff. Please be aware that, if you leave a voicemail to report your child's absence, you may receive a call from the school so that we may discuss the absence before deciding as to whether the absence is to be recorded as authorised;
- Where a pupil is absent for more than three school days in a row, **a further phone call should be made to the school** office with an update on the absence.
- Ensure that your child returns to school as soon as possible, and you provide any medical evidence, if requested, to support the absence. Medical evidence may be requested where your child is having multiple periods of absence which are reported as being due to medical reasons. When determining whether a child is too ill to attend school, both parents and school staff can consider the advice contained in the following NHS website.
<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

If your child is absent we will:

Where a pupil is absent, and their parent has not contacted the school by the close of the morning register to report the absence, administrative staff will contact the parent by telephone call as soon as is practicable on the first day that they do not attend school.

The school will always follow up any absences in order to:

- Ascertain the reason for the absence.
- Ensure the proper safeguarding action is being taken.
- Identify whether the absence is authorised or not.
- Identify the correct code to use to enter the data onto the school census system.

The school will not request medical evidence in most circumstances where a pupil is absent due to illness; however, the school reserves the right to request supporting evidence where there is genuine and reasonable doubt about the authenticity of the illness.

In the case of PA, arrangements will be made for parents to speak to the attendance officer. The school will inform the LA, on a termly basis, of the details of pupils who fail to attend regularly, or who have missed 10 school days or more without authorisation.

If a pupil's attendance drops below 93%, the attendance officer will be informed, and contact may be made to discuss the level of attendance.

Where a pupil has not returned to school for 10 days after an authorised absence, or is absent from school without authorisation for 20 consecutive school days, the school will remove the

pupil from the admissions register if the school and the LA have failed to establish the whereabouts of the pupil after making reasonable enquiries.

If absence continues we will arrange a meeting with a member of SLT so that you may discuss the situation and they will.

- Create a personalised action/support plan, such as an attendance contract, to address any barriers to attendance and make clear each person's role in improving the attendance patterns of your child;
- Offer signposting support to other agencies or services, if appropriate;
- Refer the matter to the Local Authority for relevant legal sanctions, if attendance deteriorates following the above actions.

Training of staff

The school will recognise that early intervention can prevent poor attendance. As such, staff will receive training in identifying potentially at-risk pupils as part of their induction and refresher training.

The governing board will ensure that teachers and support staff receive training in line with this policy as part of their induction. Following this initial training, staff will receive regular and ongoing training as part of their development.

Training will cover at least the following:

- The importance of good attendance
- That absence is almost invariably a result of wider circumstances
- The legal requirements on schools, e.g. the keeping of registers
- The school's strategies and procedures for monitoring and improving attendance
- The school's procedures for multi-agency working to provide intensive support for pupils who need it

The governing board will provide dedicated and enhanced attendance training to the attendance officer and other staff with specific attendance functions in their role - this will include training regarding interpreting and analysing attendance data and supporting pupils to overcome barriers to attendance.

Staff will receive training to ensure they understand that increased absence from school could indicate a safeguarding concern, and know how such concerns should be managed.

Attendance register

The school uses an MIS system called Arbor to log attendance registers and to ensure they are as accurate as possible, and can be easily analysed and shared with the appropriate authorities.

Designated staff members will take the attendance register at the start of each school day and at the start of the afternoon session. This register will record whether pupils are:

- Present.
- Absent.
- Attending an approved educational visit.
- Unable to attend due to exceptional circumstances.

The school will use the national attendance codes to ensure attendance and absence are monitored and recorded in a consistent way. The following codes will be used:

- / = Present in the morning
- \ = Present in the afternoon
- L = Late arrival before the register has closed
- U = Late after register has closed
- Code X = Non-compulsory school age to be absent for sessions they are not timetabled to attend
- Code B = To attend an offsite approved educational activity
- Code C2 = Leave of absence for a compulsory school age pupil subject to a part-time timetable
- Code D = To attend another school at which the pupil is registered (dual-registration).
- Code G = Unauthorised term time holiday, leisure or recreation
- Code I = Illness
- Code K = To attend provision arranged by the local authority. e.g. alternative provision or as part of an education, health and care plan.
- M = Medical/dental appointments
- O = Unauthorised absence
- Code P = To participate in an approved sporting activity.
- Code V = To attend an educational visit or trip arranged by the school

Lateness

Poor punctuality is not acceptable and can sometimes lead to irregular school attendance patterns. Good time-keeping is a vital life skill which will help children as they progress through their school life and out into the wider world.

Pupils who arrive late disrupt lessons and, if a child misses the start of the day, they can feel unsettled and embarrassed and risk missing vital work and important messages from their class teacher.

How we manage lateness

- The school day starts at **8.50am** when children can begin to come into school;
- Registers are taken at **8.50 - 9am**;
- Children arriving after **9am** are required to come into school via the school office, accompanied by a parent/carer and provide a reason for their lateness, which is recorded;
- At **9.15am** the registers will be closed. In accordance with the Regulations, if your child arrives after that time, they will receive a mark that shows them to be on site - 'U', but this will **not** count as a present mark and it will mean that they have an unauthorised absence;
- The school day ends at **3:25pm**. Please contact the school office if you are running late to collect or alternative arrangements have been made regarding collection.
- The school may contact parents/carers regarding punctuality concerns;

Unauthorised lateness could result in the school referring to the Local Authority for sanctions and/or legal proceedings. If your child has a persistent lateness record, you may be asked to meet with a member of SLT, however, you can approach us at any time if you are having difficulties getting your child to school on time. We expect parents and staff to encourage good punctuality by being good role models to our children and, as a school, we celebrate good class and individual punctuality.

Authorising parental absence requests

Parents will be required to request certain types of absence in advance. All requests for absence will be handled by the headteacher – the decision to grant or refuse the request will be at the sole discretion of the headteacher, taking the best interests of the pupil and the impact on the pupil's education into account. The headteacher's decision is not subject to appeal; however, the school will be sympathetic to requests for absence by parents, and will not deny any request without good reason.

Leave of absence

The school will only grant a pupil a leave of absence in exceptional circumstances. In order to have requests for a leave of absence considered, the school will expect parents to contact the headteacher in writing at least six weeks prior to the proposed start date of the leave of absence, providing the reason for the proposed absence and the dates during which the absence would be expected to occur.

Any requests for leave during term time will be considered on an individual basis and the pupil's previous attendance record will be taken into account. Where the absence is granted, the headteacher will determine the length of time that the pupil can be away from school. The school is not likely to grant leaves of absence for the purposes of family holidays.

Requests for leave will not be granted in the following circumstances:

- Immediately before and during statutory assessment periods

- When a pupil's attendance record shows any unauthorised absence
- Where a pupil's authorised absence record is already above 10 percent for any reason

If term-time leave is not granted, taking a pupil out of school will be recorded as an unauthorised absence and may result in sanctions, such as a penalty notice. The school cannot grant leaves of absence retrospectively; therefore, any absences that were not approved by the school in advance will be marked as unauthorised.

Illness and healthcare appointments

Parents will be expected to make medical or dental appointments outside of school hours wherever possible. Where this is not possible, parents will be expected to obtain approval for their child's absence to attend such appointments as far in advance as is practicable. Parents will be responsible for ensuring their child misses only the amount of time necessary to attend the appointment.

Performances and activities, including paid work

The school will ensure that all pupils engaging in performances or activities, whether they receive payment or not, which require them to be absent from school, understand that they will be required to obtain a licence from the LA which authorises the school's absence(s).

Additional arrangements will be made by the school for pupils engaging in performances or activities that require them to be absent from school to ensure they do not fall behind in their education – this may involve private teaching. These arrangements will be approved by the LA who will ensure that the arrangements are suitable for the pupil.

The pupil will receive education that, when taken together over the term of the licence, amounts to a minimum of three hours per day that the pupil would be required to attend a school maintained by the LA issuing the licence. This requirement will be met by ensuring a pupil receives an education:

- For not less than six hours a week; and
- During each complete period of four weeks (or if there is a period of less than four weeks, then during that period), for periods of time not less than three hours a day; and
- On days where the pupil would be required to attend school if they were attending a school maintained by the LA; and
- For not more than five hours on any such day.

Where a licence has been granted by the LA and it specifies dates of absence, no further authorisation will be needed from the school. Where an application does not specify dates, and it has been approved by the LA, it is at the discretion of the headteacher to authorise the leave of absence for each day. The headteacher will not authorise any absences which would mean that a pupil's attendance would fall below 96%. Where a licence has not been obtained, the headteacher will not authorise any absence for a performance or activity.

Religious observance

Parents will be expected to request absence for religious observance at least two weeks advance.

The school will only accept requests from parents for absence on grounds of religious observance for days that are exclusively set apart for religious observance by the relevant religious body. The school will define this as a day where the pupil's parents would be expected by an established religious body to stay away from their employment to mark the occasion.

The school may seek advice from the religious body in question where there is doubt over the request.

Gypsy, Roma and Traveller absence

Where a pupil's parent belongs to a community covered by this code and is travelling for occupational purposes, the parent will be expected to request a leave of absence for their child at least two weeks in advance. Absences will not be granted for pupils from these communities under this code for reasons other than travel for occupational purposes.

SEND- and health-related absences

The school recognises that pupils with SEND and/or health conditions, including mental health issues, may face greater barriers to attendance than their peers, and will incorporate robust procedures to support pupils who find attending school difficult.

In line with the SEND Policy and Supporting Pupils with Medical Conditions Policy, the school will ensure that reasonable adjustments are made for disabled pupils to reduce barriers to attendance, in line with any EHC plans or IHPs that have been implemented. The school will secure additional support from external partners to help bolster attendance where appropriate.

Where the school has concerns that a pupil's non-attendance may be related to mental health issues, parents will be contacted to discuss the issue and whether there are any contributory factors to their child's lack of attendance. Where staff have a mental health concern about a pupil that is also a safeguarding concern, they will inform the DSL and the Child Protection and Safeguarding Policy will be followed. All pupils will be supported with their mental health in accordance with the school's Social, Emotional and Mental Health (SEMH) Policy.

If a pupil is unable to attend school for long periods of time due to their health, the school will:

- Inform the LA if a pupil is likely to be away from the school for more than 15 school days.
- Provide the LA with information about the pupil's needs, capabilities and programme of work.
- Help the pupil reintegrate at school when they return.
- Make sure the pupil is kept informed about school events and clubs.

- Encourage the pupil to stay in contact with other pupils during their absence.

The school will incorporate an action plan to help any pupils with SEND and/or health issues cope with the stress and anxiety that attending school may cause them. Such plans will be regularly monitored and reviewed until the pupil is attending school as normal and there has been signs of significant improvement.

To support the attendance of pupils with SEND and/or health issues, the school will consider:

- Holding termly meetings to evaluate any implemented reasonable adjustments.
- Incorporating a pastoral support plan.
- Carrying out strengths and difficulties questionnaire.
- Identifying pupils' unmet needs through the Common Assessment Framework.
- Using an internal or external specialist.
- Enabling a pupil to have a reduced timetable.
- Ensuring a pupil can have somewhere quiet to spend lunch and breaktimes.
- Implementing a system whereby pupils can request to leave a classroom if they feel they need time out.
- Temporary late starts or early finishes.
- Phased returns to school where there has been a long absence.
- Small group work or one-to-one lessons.
- Tailored support to meet their individual needs.

Leave during lunch times

Parents may be permitted to take their child away from the school premises during lunch times with permission from the headteacher - it is at the headteacher's discretion as to whether a pupil will be allowed to leave the premises.

Parents will submit a written request, outlining the reasons for their child to leave the premises during lunch time - this request will be submitted to the headteacher. The headteacher will consider the request and will invite the parent into the school for a discussion regarding any concerns, as well as the timely return of their child at the end of lunch time and their child's behaviour when not on the school premises. The headteacher reserves the right to grant or refuse a request and will inform the parent in writing of their decision within one week of the request.

Where permission has been granted, the headteacher will ensure a photo lunchtime pass is printed for the pupil and will include the pupil's name on the off-site register.

Pupils will leave the school premises within 10 minutes of the start of lunch and will return no later than 5 minutes before the end of lunch.

Parents will be required to meet their child at the school office when taking them off the premises - the pupil will be signed out and back in using the lunch time register at the school office. A member of staff will be available at the school office before the pupil leaves the

premises and upon their return to sign them back in. No pupil will leave the premises before the member of staff at the school office has given their permission.

The headteacher reserves the right to withdraw their permission at any time – this may occur, for example, where there are attendance concerns. Any decision to withdraw permission will be in writing, explaining the reasons for the headteacher’s decision. If permission is withdrawn, parents will not be entitled to appeal the decision. Parents will be able to withdraw their request at any time – the request will be submitted in writing to the headteacher.

Permission will be updated on a termly basis – letters will be sent to parents at the beginning of each term to confirm whether they would like their request to continue.

Truancy

Truancy will be considered as any absence of part, or all, of one or more days from school, during which the school has not been notified of the cause behind such absence.

All staff will be actively engaged in supporting the regular attendance of pupils, and understand the importance of continuity in each pupil’s learning.

All pupils are expected to be in their classes by 9:00am, where the teacher will record the attendance electronically. Any pupil with permission to leave the school during the day must sign out at the school office and sign back in again on their return.

Immediate action will be taken when there are any concerns that a pupil might be truanting. If truancy is suspected, the headteacher is notified, and they will contact the parent in order to assess the reasons behind the pupil not attending school.

The following procedures will be taken in the event of a truancy:

- In the first instance, a letter of warning will be sent to the parents of the pupil, informing them of the truancy and stating that any future occurrences could result in further action being taken.
- If any further truancy occurs, then the school will consider issuing a penalty notice.
- A penalty notice will be issued where there is overt truancy, inappropriate parentally-condoned absence, excessive holidays in term-time and persistent late arrival at school.

The DSL will be involved where an instance of truancy may be linked to a safeguarding concern. Any safeguarding concerns will be dealt with in line with the Child Protection and Safeguarding Policy.

Missing children

Pupils will not be permitted to leave the school premises during the school day unless they have permission from the school. The following procedures will be taken in the event of a pupil going missing whilst at school:

- The member of staff who has noticed the missing pupil will inform the headteacher immediately.
- The office staff will also be informed as they will act as a point of contact for receiving information regarding the search.
- A member of staff will stay with the rest of the class, and all other available members of staff will conduct a thorough search of the school premises as directed by the headteacher.
- The following areas will be systematically searched:
 - All classrooms
 - All toilets
 - Changing rooms
 - The library
 - Any outbuildings
 - The school grounds
- Available staff will begin a search of the area immediately outside of the school premises, and will take a mobile phone with them so they can be contacted.
- If the pupil has not been found after 10 minutes, then the parents of the pupil will be notified.
- The school will attempt to contact parents using the emergency contact numbers provided.
- If the parents have had no contact from the pupil, and the emergency contacts list has been exhausted, the police will be contacted.
- The missing pupil's teacher will fill in an incident form, describing all circumstances leading up to the pupil going missing.
- If the missing pupil has an allocated social worker, is a looked-after child, or has any SEND, then the appropriate personnel will be informed.
- When the pupil has been located, members of staff will care for and talk to the pupil to ensure they are safe and well.
- Parents and any other agencies will be informed immediately when the pupil has been located.

The headteacher will take the appropriate action to ensure that pupils understand they must not leave the premises, and sanctions will be issued if deemed necessary. Appropriate disciplinary procedures will be followed in accordance with the Behaviour Policy.

The headteacher will carry out a full investigation and will draw a conclusion as to how the incident occurred. A written report will be produced, and policies and procedures will be reviewed in accordance with the outcome where necessary.

Understanding barriers to attendance

Whilst any child may occasionally have time off school because they are too unwell to attend, sometimes they can be reluctant to attend school. Any barriers preventing regular attendance are best resolved between the school, the parents and the child. If a parent thinks their child is reluctant to attend school, then we will work with that family to understand the root problem

and provide any necessary support. We can use outside agencies to help with this, such as the School Nurse, Mental Health Service, Early Help Worker/Social Worker/Family Support Worker or the relevant Local Authority team/s. Where outside agencies are supporting the family, you may be invited to attend a Team Around the Child meeting (TAC) to consider what is working well and what needs to improve. An individual support plan will be agreed and subsequently reviewed.

Some pupils face greater barriers to attendance than their peers. These can include pupils who suffer from long-term medical conditions or who have special educational needs and disabilities, or other vulnerabilities. High expectations of attendance remain in place for these pupils, however we will work with families and pupils to support improved attendance whilst being mindful of the additional barriers faced. We can discuss reasonable adjustments and additional support from external partners, where appropriate.

Under the DfE's statutory guidance, schools are required to submit a sickness return to the Local Authority for all pupils who have missed/are likely to miss 15 or more school days (consecutive or cumulative) due to medical reasons/illness.

See **Annex A** for summary tables of responsibilities for school attendance.

Local Authority attendance support services

Local Authority School Attendance Officers work strategically by offering support to schools, to reduce persistent absence and improve overall attendance.

Parents are expected to work with the school and local authority to address any attendance concerns. Parents should proactively engage with the support offered, aiming to resolve any problems together. This is nearly always successful. If difficulties cannot be resolved in this way, the school may consider more formal support and/or refer the child to the Local Authority. If attendance does not improve, **legal action may be taken in the form of a Penalty Notice or prosecution in the Magistrates Court.**

School Attendance and the Law

New legislation was passed, [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#) which introduced a National Framework in England. By law all children of compulsory school age must receive an appropriate full-time education (Education Act 1996). Parents have a legal duty to ensure their child attends school regularly at the school at which they are registered.

Parents may be recognised differently under education law, than under family law. Section 576 of the Education Act 1996 states that a 'parent', in relation to a child or young person, includes any person who is not a parent (from which can be inferred 'biological parent') but **who has parental responsibility, or who has care of the child.**

A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their biological or legal relationship is with the child.

National Framework for Penalty Notices

There is now a single consistent national threshold for when a penalty notice must be considered by all schools in England, of **10 sessions** (*usually equivalent to 5 school days*) of unauthorised absence **within a rolling 10 school week period**. The 10 sessions of absence do not have to be consecutive and can be made up of a combination of any type of unauthorised absence (**G, O** and/or **U** coded within the school's registers). The 10-school week period can span different terms, school years or education settings.

Sanctions may include issuing **each parent** (for each child) with a **Penalty Notice for £160**, reduced to £80 if paid within 21 days (for the first offence). A second Penalty Notice issued within a three-year period will result in a fine of £160 per parent, per child. If a third offence is committed the matter may be referred to the local authority for consideration of prosecution via the Magistrates Court. If prosecution is instigated for irregular school attendance, each parent may receive a fine of up to **£2500** and/or **up to 3 months in prison**. If a parent is found guilty in court, they will receive a criminal conviction.

There is no entitlement in law for pupils to take time off during the term to go on holiday or other absence for the purpose of leisure or recreation, or to take part in protest activity in school hours. In addition, the Supreme Court has ruled that the definition of regular school attendance is "in accordance with the rules prescribed by the school."

The School Attendance (Pupil Registration) (England) Regulations 2024 set out the statutory requirements for schools. All references to family holidays and extended leave have been removed. The amendments specify that headteachers may not grant any leave of absence during term time unless there are "exceptional circumstances" and they do not have any discretion to authorise up to ten days of absence each academic year.

It is a rule of this school that a leave of absence shall not be granted in term time unless there are reasons considered to be exceptional by the headteacher, irrespective of the child's overall attendance. Only the headteacher or his/her designate (not the local authority), may authorise such a request and all applications for a leave of absence must be made in writing, in advance by the parent with who the child normally lives with, on the prescribed form provided by the school. The school will usually consider that the parent who has made the application is therefore allowing the leave of absence, and also that all parents who are on the holiday are allowing the leave. Where a parent removes a child after their application for leave was refused or where no application was made to the school, the absence will be recorded as unauthorised. It is likely that penalty notices will be requested, in line with the National

Framework and Central Bedfordshire Code of Conduct for Fixed Penalty Notices, in respect of each parent believed to have allowed the absence.

At Toddington St George School '**exceptional circumstances**' will be interpreted as being of unique and significant emotional, educational or spiritual value to the child which outweighs the loss of teaching time (as determined by the headteacher). The fundamental principles for defining 'exceptional' are events that are "rare, significant, unavoidable and short". By 'unavoidable' we mean an event that could not reasonably be scheduled at another time, outside of school term time, regardless of who has planned or paid for the holiday or absence (*including grandparents or other family or friends*).

The headteacher/school may discuss the leave of absence request with other education settings and/or the Local Authority to determine any exceptional circumstances.

If leave of absence is authorised, the school will not provide work for children to do during their absence. Parents are however advised to read with their children and encourage them to write a diary while they are away.

Deletion from Roll

For any pupil leaving Toddington St George School, other than at the end of Year 4, parents/carers are required to complete a '*Leaving School Form for Parents*' form which can be obtained from the school office or via the Central Bedfordshire website. This provides school with the following information: Child's name, class, current address, date of leaving, new home address, name of new school, address of new school. This information is essential to ensure that we know the whereabouts and may appropriately safeguard all of our pupils, even those who leave us.

It is crucial that parents keep school updated with current addresses and contact details for the pupil and key family members, in case of emergency.

Under Pupil Regulations 2006, all schools are now **legally required** to notify their Local Authority of **every new entry** to the admission register **within five days** of the pupil being enrolled. In addition to this, **every deletion** from the school register must also be notified to the Local Authority, as soon as the ground for deletion has been met in relation to that pupil, and in any event no later than the time at which the pupil's name is deleted from the register. This duty does not apply when a pupil's name is removed from the admission register at a standard transition point - when the pupil has completed the final year of education normally provided by that school.

Absence data

We use data to monitor, identify and support individual pupils or groups of pupils when their attendance needs to improve, and schools are required to submit pupil attendance data to

the Department for Education and Local Authority on a daily basis '**Education (Information about Individual Pupils) (England) (Amendment) Regulations 2024.**' Persistently and severely absent pupils are tracked and monitored carefully. We also combine this with academic tracking, as increased absence affects attainment.

We share information and work collaboratively with other schools in the area, local authorities, and other partners, when absence is at risk of becoming persistent or severe.
